

INKWENKWEZI PRIVATE GAME RESERVE

Inkwenkwezi is situated in the malaria free Eastern Cape, only a 30-minute drive from East London at the start of the Wild Coast. Here one can view the magnificent Big Five or the other predators housed within the boundaries of the reserve. Inkwenkwezi is a rare exquisite combination of bushveld, grasslands and forests, with an area encompassing 4000 hectares.

Our reserve boasts a Bush Camp, consisting of six two-person lavish en-suite safari tents. The Valley Camp offers 12 guests accommodation in six custom designed luxury tents, which emphasize space and quality. Guests of both the Bush Camp and the Valley Camp have tea and coffee making facilities.

Visitors to Inkwenkwezi are given the opportunity to enjoy a range of activities, including game drives, bird watching including the rarely sighted Stanley Bustard as well as Knysna Turaco and Kingfisher to mention only a few of the 276 bird species that has been recorded here, all in the company of a trained guide, who has the knowledge and passion of the African Bush. Alternatively enjoy relaxing around the pool.

The reserve overlooks the Indian Ocean, which presents opportunities for Whale and Dolphin viewing. Pay a visit to the brilliant beaches and go surfing, windsurfing and fishing or catch a helicopter ride up the Wild Coast and take in a game of golf on one of the area's numerous golf courses.

For meal times, Inkwenkwezi offers guests the finest dining options. Have an elegant African dining experience at the Emthombeni Restaurant or indulge in a culinary delight at the Sunset Lapa.

In the Bush Camp the tents are approximately 20 meters apart and the Valley Camp tents are approximately 50 meters apart. The two camps are approximately 100 meters apart, but both are catered for at the Sunset Lapa.

Upon booking at Inkwenkwezi a guide is allocated to guests. The guide will accompany guests throughout their stay and take guests on guided tours eg Game Drives, Canoeing, Hiking & Quad Bike Riding. All these activities are available on the game reserve and are inclusive in an all inclusive rate, also included are three meals and local beverages in High Season. Only additional cost would be for Walks with Elephants and local beverages in Low Season.

We have built a family unit, whereby an additional tent, with en-suite, accommodates 2 single beds and a sleeper couch. The room is adjacent to the adults' tent.

To view the two camps please visit our website at www.inkwenkwezi.com.

Our camp configuration is as follows:

Bush Camp 6 x Safari Tents each accommodating 2 pax

Valley Camp 5 x Safari Tents each accommodating 2 pax
1 x Family Tent – Main tent accommodating 2 pax and children tent with 2 x single beds and double sleeper couch.

Although the Valley Camp units are designed to accommodate two pax, an additional bed can be added to the room to accommodate a small child. Camp cots are also available to accommodate a family with a baby.
